Conference Advance – for His Kids April 27, 2024

You might wonder why you see a Conference Advance insert in your bulletin just about every month. So many things try to demand our attention: television commercials, banner ads on websites, popup ads on social media, just to name a few of the overwhelming array of advertisements. Print, radio, television, cable, Internet—the methods of reaching us seems to grown each day. Each advertiser wants you to feel that they care about you, but it's all to attract your dollars to their pockets. They use what we look at, what we email, to tailor online advertising just for us. It's less than subtle.

Conference Advance-for His Kids is a gentle reminder that as Seventh-day Adventist Christians, life is not about us. It's all about God and the overwhelming gift of His love and sharing that love with everyone around us.

Part of His gift is the opportunity to experience giving love. If you have had children, or you are part of a child's life, you know something of how God feels toward us, His children.

God's love is not selective—it encompasses each one of us, regardless of what we have done. Experience this kind of love by supporting ministries that give our children as many opportunities as possible to choose Jesus as their personal Savior. Support Conference Advance and indirectly influence the eternal choices a child or a teen will make. It's still their choice, but did they have every chance to make it a good one?

Your regular gift to Conference Advance helps support three vital ministries: Gem State Adventist Academy (60%), Camp Ida-Haven (25%), and Adventist Christian elementary education (15%). 100% of the funds received go to the designated ministries.

Mission to Lebanon!

The Creitz Family has accepted a call as missionaries to Beirut, Lebanon! Steve will be the head of the Art and Design department at Middle East University, the only Adventist college or university in the Middle East. Dawn will be Student Health Coordinator.

Lebanon is the only country in the Middle East with some level of religious freedom, so the Adventist church works from there to reach out to the rest of the Arab Muslim world. Won't you help? Lebanon is currently in severe economic crisis. Students who come to the university may have a very difficult time paying for the supplies they need to get a proper art education. Dawn's work as Student Health Coordinator also requires supplies and equipment. This is a new position for the school, so she is starting from scratch.

This QR code will take you to an Amazon gift registry with a list of supplies we need to collect before our shipping container arrives. please prayerfully look it over and consider what you can give. Many of you have already generously donated. Thank you so much for your help! God bless!

PS! If you did not yet hear our testimony about the miracles God has been performing all along the path of this call, be sure to visit NampaSDA.org and watch the April 6 testimony Sabbath!
