Imagine learning about God through a message in a bottle! This is exactly what happened to a man in the Middle East who discovered a unique advertisement for Adventist World Radio's online Bible study series. Not only that, but after he and his family started watching, his daughter was shocked to find that she had dreamt some of the very same things that she was hearing in the programs! The entire family was baptized after watching the videos.

This is just the tip of the iceberg of the thrilling stories you'll hear during the Adventist World Radio Offering on Sabbath, March 9. From 1,530 churches across 38 European countries that have already participated in *Christ for Europe*, to people making decisions for baptism in Pakistan, the Philippines, Ukraine and more . . . you can't miss AWR's special offering video!
